Manzano High School, Albuquerque, NM

**CALLING**

I have a clear call to ministry using my lifetime skills and all of my Christian experience to serve God's church.

I accepted Jesus as Lord and Savior in 1960 during Vacation Bible School. I sensed His call on my life from that time. As a high school and college student, I led the corresponding youth groups. In 1979 I accepted a call to serve as a lay pastor. Since that point I have been privileged to serve as a substitute pastor on numerous occasions as the need arose in the various communities where we have lived. Stacy and I are called to serve in ministry, serving God's people.

I am fully supportive of the Cooperative Program and the ministries of the Southern Baptist Convention. I believe that the Bible has God for its author, salvation for its end, and truth without any mixture of error, for its matter. The 2000 statement of *The Baptist Faith and Message* is my doctrinal guideline.

**CHRISTIAN EXPERIENCE**

As a bivocational pastor I have filled the pulpit, conducted weddings and funerals as well as providing spiritual counseling in time of need. I have taught Sunday School for first grade through adult as well as leading in-depth Bible studies. I have served as Sunday School director and on virtually every church committee at one time or another. I am an ordained deacon. I have been blessed that through my secular career, God has enabled me to devote myself to many mission and ministry opportunities.

Stacy and I served as Mission Service Corps missionaries, 2003 to 2004, helping to establish the Disaster Relief effort for the Salt Lake Baptist Association.

We are members at Alta Canyon Baptist Church, Sandy UT and I currently serve as the Salt Lake Baptist Association moderator.

Ordained to the Gospel Ministry, First Baptist Church, West Valley City, UT

## **HUMAN RESOURCES MANAGEMENT**

Supervised, wrote job descriptions, recruited and trained professional staff covering 18 occupational specialties. Established an on-going management review process designed to ensure the highest quality customer service available. Initiated and developed an innovative management program, resulting in a 15% decrease in overhead costs. Managed a variety of industrial operations requiring a thorough understanding of applicable OSHA and EPA regulations. Effectively supervised, motivated and coordinated staffs of up to 500 persons in a collaborative working environment.

## **OPERATIONS MANAGEMENT**

As Director of Aviation and Chief Pilot for Sinclair Oil Corporation, had full responsibility for all bottom line factors while growing a fledgling aviation department into a fully developed, customer focused corporate organization. Attention to detail allowed the business to grow three fold, while limiting expenses to 68% of industry standards. Equipment modernization program allowed the aircraft to remain state of the art in a dynamic environment experiencing constantly changing domestic and international regulations. Direct interaction with federal agencies, ensured prompt, error free certification of all operations.

During my Air Force career, I served in numerous management positions through eight assignments. As a pilot I served as an Instructor Pilot and Flight Examiner in seven different aircraft. Ultimately, I served as a pilot and commander, directing and providing aviation support for the President of the United States, foreign heads of state, national and foreign dignitaries.
